

The Tax Institute

New 2017 Continuing Education Tax Course (CTEC and IRS Approved)

This year we will cover both Federal and California tax laws that will have a direct impact on your clients' returns. For the Federal law, we will cover everything about Rental Income, Rental Expenses, the new IRS regulation over Repairs and Capitalization, Business entities for Rental Properties, Energy Tax Credits, etc. For California we cover The New Electronic Withdrawal Payment without Income Tax Requirement and other topics. You will need no other materials; everything is included in your course package. The 3 hours of Tax Updates and 2 hours of Ethics are included. This course qualifies for the new IRS Annual Filing Season Program.

It's simple! Go to our website now at www.taxcollege.com and click on the order button, call our number now, or complete, mail or fax the form below. Your book with all the study materials, the examination questions, and the answer sheet will be sent to you on the same day ordered. It is an open book exam. A minimum passing grade of 70% is required, but if you score below, you may retake the test one more time at no extra charge.

The self-study course satisfies with the 2017 State of California educational requirements to renew your tax registration and costs only \$64.95 (**\$49.95 electronic version**). A certificate of completion is sent upon successful completion. All our courses have a money back guarantee. Just return the materials within 15 days no questions asked. Try our online test just for fun at <http://www.taxcollege.com>. This course also complies with the IRS standards of education. **Credits for IRS are voluntary and will be given.**

Check online at www.taxcollege.com for our e-mail version of this course at a discounted price. We also have a 60 hour qualifying course for those who need to register with CTEC for the first time. The **Lite Tax Software** to help estimate your client's tax refund in seconds is also available!

The Tax Institute's Annual CPE Course, #1007-CE-0017, is a CTEC-approved course which provides 15 hours of federal credit and 5 hours of state credit towards the annual "continuing education" requirements for tax preparers. Our courses meet new CTEC standard requirements regarding word counting length. A list of additional registration requirements may be obtained by contacting CTEC by phone at (877) 850-2832, on the Internet at www.ctec.org, www.irs.gov, or check our web page for updates.

Note: All our prices include shipping and sales tax if applicable
